PUBLIC NOTICE: FRAUDULENT “M&B EQUITY STAKE” INVESTMENT SCHEME

May & Baker Nigeria Plc (the “Company”) has become aware of **fraudulent materials** being circulated through social media, messaging applications and other online platforms, purporting to offer members of the public an investment opportunity described as an “**M&B Equity Stake**” and promising daily or guaranteed returns.

The Company hereby **unequivocally dissociates itself, its subsidiaries and affiliates from the purported “M&B Equity Stake” investment scheme and any person, platform, website, group, publication or other communication promoting or soliciting funds in connection with the scheme.**

Accordingly, any person, platform, flier, message, website or other communication soliciting funds from the investing public in the name of May & Baker Nigeria Plc in connection with an “M&B Equity Stake” or similar investment opportunity is fraudulent, unauthorised and not issued by or on behalf of the Company.

The Investing Public is therefore strongly advised to disregard such communications, refrain from making any payment or disclosing personal or financial information in response to them and report any such fraudulent activity to the appropriate authorities.

The Company further confirms that it is not currently undertaking any Rights Issue, Public Offer or other capital-raising exercise involving the solicitation of investments from the public. Any future capital-raising exercise will be formally communicated through the Company’s authorised communication channels and conducted in accordance with applicable laws, regulations and the requirements of the Nigerian Exchange Limited and other relevant regulatory authorities.

Shareholders, customers, employees and members of the general public are urged to remain vigilant and to verify any purported investment opportunity or communication relating to the Company through its official communication channels before taking any action.
